Description: ...

Review: I am reading the nebula award winning novels in chronological order. This is the winner for 2013. Initially I didn't realize that I had already read this book. When I remembered, I thought it would be worth a second read. Now I'm not so sure. I did finish reading it the second time, but I kind of wish I hadn't. The story takes place in the year 2312 when...
