Description: Announcing a brand new idea in publishing books for babies: the completely durable, completely safe Indestructibles. Published on the same paper-like material used in shipping envelopes, Indestructibles are 100% baby-proof: chew-proof, drool-proof, and rip-proof. That's because Indestructibles not only will not tear or turn gummy with teething, but...

Review: This book was just okay. I like the Indestructibles in theory and the books with words in them are great (bright and fun to point out objects and help baby learn words)...but this one is just okay with one image per page and no words. I knew that going in...but my daughter isn't interested in this one at all. On the plus side...while I would recommend...
